RUNNERS
UP

Miss Barbara Taylor

Remember, the day we visited C. H. S. for the first time? Walked over double-file from the elementary school. It did look big didn't it! Everything seemed different, we didn't know why or how, but we found out fast.

Remember, that first year--a divided class--struggles with schedules, tardy bells and blue slips--help from Homeroom Teacher, Mrs. Bryant--floods in Room 7--puddles in Room 2--G. C. Lynch, Jr. and Dan Norman--awful smells in the lab, and those gay science classes (from motors to Morse Code)--dear Miss Margaret Crews and her "not so dear" math classes--yi--Rat Day, on our knees pleading with Seniors, getting kicked out of the library by Miss Shelton--themes for English or Guidance Day--Big Crush--Homework Horrors--awkward clumsy Greenhorns, everyone else was a little bigger, a little older, had been around a little more than we had--but that was all part of being new here and it wasn't long before we were used to C. H. S.

Remember that Sophomore year--Sopo from a Greek word meaning wisdom, moro from moron--shooting paper wads at the light bulb in Room III--that English class, last period--tacks in everyone's seats--disecting in the Lab and drawing the parts of grasshoppers and earthworms--Miss Ruth Wood--amoebas--parameciums, process of osmosis--English themes--drawing maps in geography class--Miss Augusta Ann Parrish-- $(x^2, x^2) (x-2)^3$ --Mr. G. W. Garner, affectionately termed "Mr. Chalky"--Glee Club--Mrs. Tilli de Ponceau--"Put that 't' on, girls!"--Basketball--Demons, Demons, Ray Chatham!--those basketball trips--Mr. Ralph Myers singing "Shortnin' Bread"--Ego amo te--Latin Tournament at Stratford College--Posters of the Romans--Mrs. Agnes Tune--Tri-Hi-Y Club meetings--Home Ec. with savory odors and hard biscuits--F. H. A. meetings--Mrs. Annie Laura Bryant--assembly programs at Thanksgiving, Easter, Christmas--our tree--("and don't forget to come back again after the holidays!")--ancient history and Mr. G. W. Garner.

Remember 1948-49? Big years in our lives! Then we were Juniors--yes upper classmen at last--a little more dignity and hardly a studious attitude--and there is such a thing as attitude--sitting in Detention Hall pondering murder- trying to get the budget in on

time--speed tests--Miss Ann Bell--business letters (and the other kind, too!)--Pants vs. Petticoats Basketball Game--drawing circles and bisecting angles--Plane Geometry--whispering about "last night" in study hall--jokes--Benefit Bridge--another Latin Tournament, and this time we win a plaque--Parley-vous francais?--Mrs. Turner--Chemistry--installation of the Beta Club--"keep off the gym floor!" C. H. S.'s first Homecoming Day and preceeding pep rally--Mr. Whitman Hull, better known as "Coach"--new warm-up jackets for the teams--our Demons bring home a trophy--"Onward Chatham"!--Boy's Basketball Banquet--Cheerleaders--Communism in History III, Mrs. Garner--Psychographs--themes--English III--"Henry Ford" and Mrs. de Ponceau--the informal dance--our spring dance--planning, dreaming, working--and finally, in the formality and beauty of candlelight at The Country Club, our Junior-Senior Banquet--solemn candlelight services at Graduation when some of our dearest friends graduated.

And remember--then we were Seniors?---Gosh!--Sitting on top of the world, and then you failed another Englishtest--Chaucer--grammar- Macbeth--bumps, cuts, and bruises from basketball practice--coaches Jack Dufford and Ned Gochenour, and for a little while, Merle Dotson--another Science prof., then another and another--the new boys' Hi-Y Club--Citizenship Day--The Harvest Festival, fishing, movies, food, games, dancing and the H. M. A. Orchestra--working on the annual, getting ads--class meetings--bake sales--Le Circle Francais--rushed for time--being late for classes--waiting for buses to school, home, basketball games, and county Glee Club festivals--basketball practice--dates, (in history and the other kind, too)--Government tests and oral reports--Mrs. Ferol R. Green--homeroom periods--Exams! and you wonder if you will graduate after all!--fun--serious moments, such as thinking about the future--all the Senior activities--the Commencement Sermon--Class Night--and finally and after all, you've made it!--GRADUATION!!!

Remember--school days--school daze?--books and beaux--deadlines and dates--classrooms and cokes--themes and teams--school bills and schedules!
